

VEHICLE FLASHLIGHT - NIGHTBEACON

The NightBeacon Vehicle Flashlight is both a high intensity flashlight and an emergency beacon. And in dire circumstances it can help free trapped accident victims with tools designed to quickly slice through seat belts and break glass. NightBeacon rechargeable flashlights use state-of-the-art components built into a rugged ABS housing.

Key Features:

- 2 Light Settings: Spot Light & Flashing Red Beacon
- Magnetic feet securely holds light to vehicles
- Hammer-point will quickly shatter any vehicle glass
- Reset blade easily cuts through restraining harnesses
- External power jack can be used to charge cell phones and GPS units
